

## Tonka Alano Membership Application

The Tonka Alano Society is a non-profit organization formed to provide and maintain the premises for 12-step meetings. The Tonka Alano Society owns this building and pays for all utilities and maintenance. We buy supplies such as coffee, creamer and paper products. We stock literature and medallions for sale to members, at cost. Our mission is to provide a nice, clean and safe meeting house for alcoholics and their families.

Every August a Board of Directors is elected to manage the property. We have committees to provide specific services such as: Building and Maintenance, Activities, Membership and Welcoming, Budget and Finance. We encourage you to become involved with the place that helps to keep you sober. Join one of these committees or become a Board Member.

We encourage you to use the facilities and make it yours. You do not have to be a member to come to meetings. However, as a dues-paying member, you are allowed access to the club outside of meeting times; you will be kept up-to-date on the security code to gain access to the building outside of meeting times as long as you maintain your monthly pledge. You will also receive a personalized Tonka Alano ceramic cup to hang on the member board at the club. And, most of all, you will be supporting the place that supports you.

**CASH DONATIONS** — Pledge a specified dollar amount per month (Minimum \$10.00 per month or \$120.00 per year). Your monthly pledge is due by the 1st of each month. Please submit your monthly donation in the mail slot by the office door or setup a payment via credit card with the Treasurer.

Simply fill out the application below and put it into an envelope along with your pledge (cash or check made out to Tonka Alano Society), your name and date. Drop it in the slot by the office door. You are now a member of the Tonka Alano!

**PLEASE NOTE:** You are considered an active member if you are **CURRENT** with your monthly or annual pledge.
